

A truly unique holiday gift! RunCzech opens registrations for out-of-Prague races on the 8th of December.

Prague, 8th December - After the Prague races, RunCzech also published the dates of its races that will take place in 2022 in other Czech cities. Runners can register for the traditional Mattoni events in Karlovy Vary, České Budějovice, Olomouc, Ústí nad Labem and Liberec from 8th of December. It will be also possible to purchase a gift certificate as a present for all these events. "In 2022 we will be back in full strength. I'm looking forward to seeing you all again at the start," says Carlo Capalbo, president of the RunCzech organizing committee, to all runners. "Mattoni, as a traditional partner of running events, can't miss it," says Ondřej Postránský, director of strategic marketing at Mattoni 1873.

Brilliant racing atmosphere, the joy of movement, first-class safety and technical services. That is what RunCzech constantly offers. After another season, which was again interfered with the Covid, the organizers believe that the 2022 season will go according to plan. The Mattoni Half Marathon Karlovy Vary will open the season in the Czech regions (May 21). Two weeks later, the Mattoni Half Marathon takes place in České Budějovice, and in the next 14 days, the series moves to the Half Marathon in Olomouc. In the end, runners can look forward to the races Mattoni Half Marathon in Ústí nad Labem (September 17) and the Mattoni Liberec Nature Run (September 24). A full calendar is available at www.runczech.com).

"Mattoni mineral water has been a partner of RunCzech running events for 27 years. The ending year was difficult not only for the athletes, but for all of us. Let's wish the next year will bring us only joy, for example in the form of a well-established race," adds Ondřej Postránský.

The upcoming season of the Mattoni Half Marathons will also bring two anniversaries. The race in České Budějovice will take place for the tenth time, and the fifth edition will be celebrated in Liberec. It will be possible to buy a voucher for them and other races as a gift this year (www.allrunnersarebeautiful.cz). This is an ideal way how to make your loved ones happy, who regularly run or are just looking for a way to experience some running action and meet new challenges. RunCzech races traditionally involve dm family runs, which are shaped literally for everyone. "We believe that such a gift can motivate someone to perform even better or begin a new life chapter," outlined Carlo Capalbo.

RunCzech races traditionally offer charitable overlay. During the registration phase, all runners can easily contribute to a list of charities. There are charity projects such as planting trees in the so-called Marathon Alley.
